Part #	Rail Orientation
GR-HK-SP-H	Horizontal
GR-HK-SP-V	Vertical

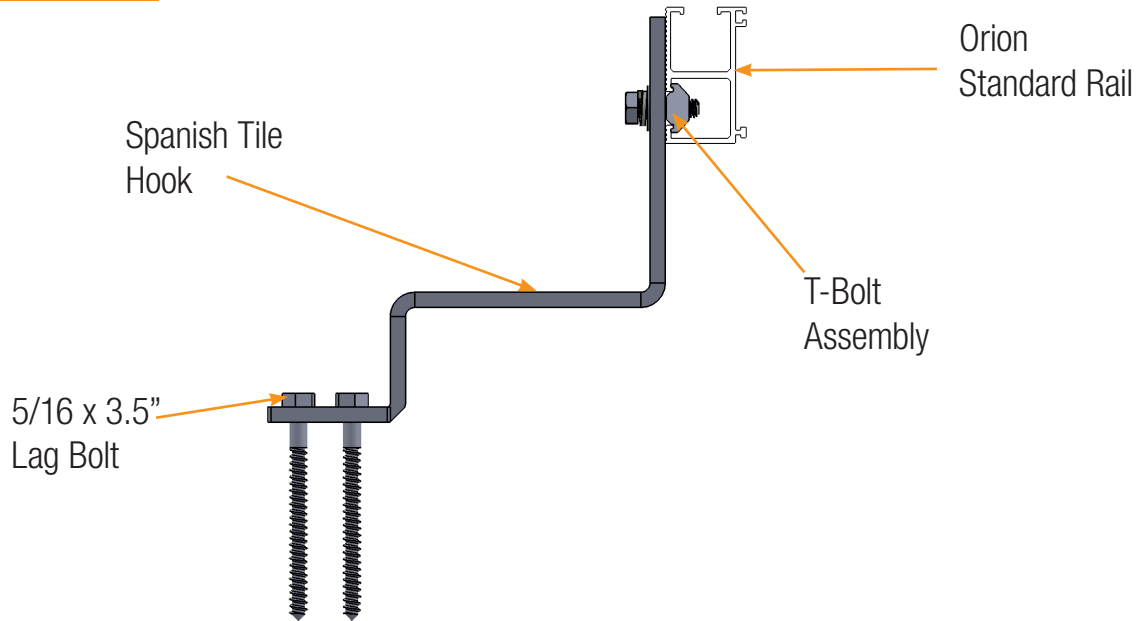

Features:

- Weight: 1.513lb
- Material: Galvanized Steel
- Hardware Material: 300 Series Stainless Steel
- Pre-assembled

Spanish Tile Hook

Installation Overview

- Remove Spanish Tile and locate rafters. Drill 1/4" holes and backfill with sealant.
- Align Spanish Tile Hook such that arm rests just above preceding Spanish Tile; multiply holes allow for easy adjustment.
- Take 5/16 x 3.5: Lag Bolts and tighten into rafter, and replace Spanish Tile over hook.
- Use T-Bolt assembly to attach to rail.
